presented by  
the AWBD Nominating Committee

Trisha Frederick, P.E., Chair  
Ellen Hughes, Member  
Sherri Greenwood, CPA, Member

Deciding to run for office in AWBD is a big decision. In addition to having genuine interest in the Association's mission and membership, candidates must be aware of the serious commitment of time, energy and talent that is required of a member of the Board of Trustees.

Serving as a Trustee means filling a year-round position that demands involvement and hard work. While Trustees are most visible at the Association's major events, the real work is done in monthly Board meetings, committee meetings and in responding to the members you represent. Each Trustee should recognize the importance of a strong membership and actively recruit new members for AWBD.

Unlike members of a utility district Board of Directors, members of the AWBD Board of Trustees do not receive a per diem for attending meetings or representing AWBD. Trustees will receive reimbursement for reasonable expenses incurred in performing AWBD duties and do not have to pay event registration fees.

The reward for being a member of the Board of AWBD comes from a personal commitment to serving the Association and representing its membership.

To run for an AWBD office, a candidate must meet certain eligibility requirements and meet deadlines associated with the election proceedings. These requirements are explained in this material and at the annual Nominating Committee Workshop presented at each Mid-Winter Conference.

In 2022, members will elect three At Large Trustees and Regional Trustees for the Gulf Coast and West Texas regions.

For additional information, contact the Nominating Committee through the Association office, 281/350-7090 or 800/597-0122.

**"Advisory Council"** - Advisory Council shall mean a council of persons duly appointed by the Board of Trustees whose duty shall include rendering counsel and advice to the Board as may be requested, who shall appoint a member to serve as its representative on the Board.

**"Annual Meeting"** - Annual Meeting shall mean the opening general session of the Association's summer conference.

**"At-Large Trustee"** - At-Large Trustee shall mean any Member elected by the entire membership at the Annual Meeting for the At-Large position or appointed by the Board of Trustees as deemed necessary.

**"Board of Trustees" or "Board"** - Board of Trustees or Board shall mean the Board of Trustees, including Regional Trustees and Advisory Council representative.

**"Bylaws"** - Bylaws shall mean these Bylaws of the Association and any amendments and supplements hereto.

**"Districts"** - Districts shall mean conservation and reclamation districts created pursuant to Article 111, Section 52 and Article XVI, Section 59 of the Texas Constitution including, but not by any way of limitation, drainage districts, fresh water supply districts, water control and improvement districts, and municipal utility districts.

**"Immediate Past President"** - Immediate Past President shall mean the person who served as President of the Board of Trustees immediately prior to election of the current President of the Board.

**"Member Representative"** - Member Representative shall mean an elected or appointed representative of a Member of the Association.

**"Region"** - Region shall mean any geographic region created by the Board of Trustees pursuant to these Bylaws.

**"Regional Trustee"** - Regional Trustee shall mean a member of the Board of Trustees who has been duly elected to represent one of the defined geographic regions of the Association.

**"Member"** - Member shall mean any member of the Association as defined in Article IV A. hereof whose membership dues are paid current.

### **1. What is the Board of Trustees?**

The Board of Trustees is the governing body of the Association. It consists of the following officers: President, Executive Vice President, First Vice President, Second Vice President, Secretary, Treasurer, a representative of the Advisory Council, Immediate Past President and one Trustee from each of the geographic regions: Gulf Coast, Central, West and North Texas.

### **2. What is the difference between At Large and Regional Trustee positions?**

At Large Trustees are elected by a vote of the entire membership. Regional Trustees are elected by vote of the Members of their respective region. In accordance with the Bylaws of the Association, Regional Trustees may not serve as officers of the Board.

### **3. How many positions are open for election each year?**

Three At Large and two of the Regional Trustee positions are contested at the Annual Conference of the Association each year. The Regional Trustee positions are staggered so that, at no time, will all four regional positions be open at any one time.

### **4. What are the eligibility requirements to run for a position on the Board of Trustees?**

To be qualified to serve as a member of the Board of Trustees, each candidate must have been an active Member Representative of a Member(s) of the Association for at least two years within the last three years prior to nomination for the position. Candidates seeking a regional position must meet additional geographic requirements in that they must be from the region they seek to represent. A Member may nominate only one candidate for the Board of Trustees in any given year.

Candidates must submit an approving Resolution from the Member they represent. Samples of candidate resolutions are included in this material.

### **5. How do I declare my candidacy?**

Persons wishing to run either for an At Large or Regional Trustee position must submit a candidate resolution from the Member they represent to the Nominating Committee of the Association no later than 45 days prior to the AWBD Annual Meeting. In accordance with the Bylaws, the Nominating Committee is made up of the Immediate Past President, the President and a representative of the Advisory Council.

The Nominating Committee will review all candidates for eligibility and present their names to the Board of Trustees for final certification. Upon certification, the Nominating Committee will draw candidates' names for position on the official ballot.

## **6. How do I get my picture in the *Journal*?**

Because of publishing deadlines, candidates who wish to have their pictures and candidate statements published in the pre-Annual Conference issue of the *AWBD Journal* should submit a Candidate Information Form and Photo to the AWBD office by the stated deadline for inclusion in the *Journal*. This date changes annually. See the listing of important dates for AWBD Trustee candidates or contact the Office for the current deadline date. A candidate may run for office without having a photo or information published in the *Journal*. If a photo is submitted electronically, it must be in jpg format with minimum 300 dpi resolution.

## **7. Are there any restrictions on campaigning?**

AWBD has adopted a set of campaigning regulations which are included with this material. Active campaigning at the Annual Conference may begin at 1:00 p.m. on Thursday at the Annual Conference site. It concludes immediately following the General Session of the Annual Conference on Friday morning. Candidates each make a speech of no more than three minutes to the General Session; candidates speak in ballot order.

No campaigning is permitted within 25 feet of the Conference Check In area. No campaign material may be posted at the conference site.

Violations of the regulations may result in the removal of a candidate's name from the ballot.

## **8. When will voting take place?**

The polls open immediately following the conclusion of the opening General Session of the Annual Conference. Voting is done by secret ballot. Each Member of the Association should designate the name of the person authorized to cast its ballot and that person's name should be reported to the Association Office.

Members may vote for up to three At Large candidates and for one Regional Trustee candidate from their region. Proxy votes are not allowed.

Voting concludes in mid-afternoon and votes are tallied under supervision of the Advisory Council. Winners are determined by simple majority. Voting results are posted in the Conference Check In area and the results are announced at the concluding luncheon of the Annual Conference.

## **9. What if there is a tie?**

In the case of a tie vote among candidates receiving the most votes, a runoff election by secret ballot will be held prior to the conclusion of the Annual Meeting.

**10. Can there be write-in candidates?**

Yes, the Bylaws of the Association provides for write-in candidates. Official ballots provide enough space for write-in candidates. However, write-in candidates must meet the qualifications and restrictions as set forth in Article V A. 1 of the Bylaws and must have an approving resolution. Persons who desire to be write-in candidates should identify themselves to the Executive Director as soon as possible, but not later than 12 noon on Thursday, the opening day of the Annual Conference.

**11. When does the Board of Trustees elect officers?**

The Board will meet to reorganize as soon as possible following the certification of the election results. Officers of the Board of Trustees are elected by a vote of those duly elected Trustees. The Advisory Council has one vote, as well. The organization of the Board takes effect immediately following the election of officers.

**12. How long may a member serve as a Trustee?**

No member of the Board of Trustees may serve more than three consecutive two-year terms in office.
