

Association of Water Board Directors – Texas

2023 Water Smart

Consultant Partner Application

January 1, 2022 - December 31, 2022

GOALS OF THE WATER SMART PROGRAM

MOTIVATE, EDUCATE, COMMUNICATE & ENCOURAGE WATER CONSERVATION
IN YOUR COMMUNITY

- Increase awareness of the need for water conservation during a drought and year round
- Avoid or postpone the need for mandatory water rationing when possible in dry areas of the state
- Enable the public to participate in water conservation efforts both inside and outside the home
- Leverage existing local water conservation efforts

WATER SMART CONSULTANT PARTNER APPLICATION CHECK LIST

Your application requires consent to the following:

- 1) A **\$300.00** donation
 - a. In the form of a company check
- 2) Volunteer your time during the summer conference
 - a. One or more of your employees work the vendor booth for a block of time
 - b. Assist in set up/tear down of the vendor booth
 - c. Assist with donation for giveaways, games, decorations, etc.

Your application must also include ONE of the following:

- 1) Involvement through youth groups regarding water conservation
 - a. Scout troops, youth groups, church groups, etc.
 - b. Picture and description of the event
- 2) Picture of your company displaying the Water Smart logo
 - a. Water Smart logo displayed at your place of business
 - b. Water Smart bumper stickers on company vehicle (bumper stickers are available in the AWBD office)

AWBD WATER SMART CONSULTANT PARTNER APPLICATION

This program was designed to acknowledge consultant members that have done their part to educate their community on how best to conserve water. Being water conscious is important not only in time of drought, but year-round.

Becoming a Water Smart Consultant Partner displays your awareness for the importance of water conservation not only to your community but to those who employ your services.

AWBD Water Smart Consultant Partners will receive a Water Smart Partners Plaque and be recognized by AWBD both at the summer conference and in the AWBD Journal. Applications for the current year (1/01/2022-12/31/2022) must be submitted to the Water Smart Steering Committee at AWBD no later than **March 1, 2023.**

Company Name:

(Each item must be checked indicating compliance)

- The Company is a member of AWBD
