

"Dedicated to the betterment of Texas water district operation and management through education, unification, and advocacy."

June 12, 2025

Dear Members,

The AWBD Emerging Leaders Subcommittee is excited to kick off enrollment for the Emerging Leaders Class of 2026. We are seeking a class of 18–20 AWBD member district directors and industry professionals who are eager to deepen their knowledge and grow as future leaders of the water industry.

Ideal applicants will have 5 to 15 years of experience serving on a water district board or working in a related field. Preference will be given to those who have demonstrated active involvement in AWBD through participation in events, programs, or committee work.

The AWBD Emerging Leaders Program provides participants with fundamental knowledge of the water industry and a deeper understanding of AWBD's mission, structure, history, and impact. This Program will provide participants with the foundation to work within their own districts, local communities, and AWBD statewide to support and advocate for AWBD's Mission and approach into the future.

Participants who will benefit most from the program are those who demonstrate:

- A sincere commitment to serving their communities through informed leadership;
- A desire to build a strong foundational understanding of the water industry and AWBD for future leadership roles;
- A mindset centered on continuous learning, growth, and contribution — not just holding a title;
- A curiosity for learning about others and expanding their knowledge of the water industry and related governance.

Applicants should show how they reflect these qualities in their responses.

The program's mission is to cultivate the next generation of Water Board Directors and Consultants by:

- Delivering essential industry and AWBD knowledge;
- Encouraging meaningful engagement through site visits to high-impact districts;
- Creating opportunities for growth and leadership development;
- Building lasting relationships among peers and mentors.

This experience will empower participants to lead with insight, confidence, and vision in support of the evolving needs of the water industry and AWBD.

Program tuition is \$425. AWBD appreciates the corporate sponsors of the 2026 Program listed on the attached schedule and notes that their contributions help keep the tuition cost at a reasonable level.

The application is attached and must be submitted to the AWBD Emerging Leaders Subcommittee by **Monday, September 22nd**. For more information, contact AWBD at (281) 350-7090.

Sincerely,

Kaci Schlachter, P.E.
Chair

Chris Townsend
Co-Vice Chair

Teague Harris, P.E.
Co-Vice Chair

Rick Ellis

"Dedicated to the betterment of Texas water district operation and management through education, unification, and advocacy."

Requirements for Participation:

1. Must be a Water District Director or Consultant with an active AWBD membership, with preference given to enthusiastic participation in the AWBD organization, building strong relationships to grow and advance the industry effectively.
2. Applicants should have five to fifteen years of experience on a water district board or in a related industry.
3. Must have taken AWBD Director's 101 or 201 Class OR have basic water district operation and management knowledge.
4. Must be sponsored by an executive within your water board or company via the attachment in the application form.
5. Always act with fairness, honesty, integrity, and openness; respect the opinions of others and treat all program participants, AWBD staff, volunteers, or community leaders associated with AWBD Emerging Leaders with equality and dignity without regard to gender, race, color, creed, ancestry, political beliefs, religion, marital status, disability, age or sexual orientation.
6. Do not engage in activities that endanger the life, safety, health, or well-being of yourself, program participants, AWBD staff, volunteers, or community leaders associated with AWBD Emerging Leaders while on any local sessions or conference events.

Requirements for Graduation:

1. Each Participant cannot miss more than 12 hours, with no exceptions.
2. Each Participant cannot miss the opening (12/2/25) and closing events (6/25/26).
